

Arrius MPR-100 S

CLASSICAL GUITAR WITH A ROUNDED CUTAWAY

650
MM SCALE

52
MM NUT

370
MM LOWER BOUT

100
MM DEPTH

A rounded cutaway for free access to the highest frets, a lattice-reinforced top of AAA cedar or spruce, and solid mahogany back and sides.

- Rounded cutaway that keeps the voice
- About 15% louder than its predecessor, balanced registers
- Lattice reinforcement of the top — remarkably robust
- Specially contoured armrest
- Distinguished at trade fairs in Japan and Europe in its first year
