

Arrius S-1000

CONCERT CLASSICAL GUITAR, DOUBLE TOP

Our most powerful guitar: a double top of cedar and spruce around a Nomex honeycomb core, with back and sides of Indian rosewood and ziricote.

- Cedar and spruce double top with Nomex core
- About 22% louder than our earlier concert construction
- Indian rosewood joined with ziricote
- Ebony armrest and 22:1 gold machine heads
- Traditional concert outline and dimensions
